Lissa
Well, it's the time of year again. Time to think up original phrases for people's yearbooks: Alas my wish is not original but indeed sincere. I hope that our friendship continues for a long long time. We've had our ups & downs as much as anybody - but we seem to have always been close through it all. Have a great summer, keep in touch, and may we Classes next year. Love always Susie

P.S. Thanx for letting me be the first to sign your book. (It makes it easier to find room.) Take care.. Friends 4-ever-

See Hoz #5 -

Lisa,
You're a very nice person and I'm very glad to know you. I will remember you for always when we had a nice time to your house and at some parties together. I'll like to see you like a few years I'll be back at Santa Monica. (But who knows when exactly?) I Hope you have a good luck in the future.
Love. Richard
(you're freshman)

Lissa:
You are a beautiful person to be around. You should really develop and use your beautiful voice. Good luck in everything.
Love Kathy

Lissa,
The year is finally over and Summer is here at last. I dont really no you to good but you seem very nice I hope I see you next year.
Love Always
Bonnie Kanner

Dear Lis-sa!,

How are ya? well here we are with another two fuckin' years at this stupid school But if we stick together & I'm sure thing will go pretty quick (just as long as we don't get anymore classes like this one! + high skool math, Boooring!) This class makes me want to spit chunks! But anyways, lets hope we don't swell up and die by morning from the lousy food in the "Roman" keep up those parties and cake on that make up (I'll see you in the Bathroom with a cigarette and my cover "slick!)

Love ya always

Marie

zap.

PS

call me will ya!
who the hell do you have to be around here for you to pick up the fucking phone!

Pete

here

See you soon

Love you ALWAYS

A world full of changes

Cesar Chavez speaking for Proposition 14 and Gary Familian

1976 was a bicentennial year, an Olympic year, and an election year. Although the first two affected the Samohi masses, the last will have the most impact.

New leaders were chosen to lead the country, state, and community. In one of the closest races in presidential history, Jimmy Carter, the peanut grower from Plains, Georgia, defeated incumbent President Gerald Ford for the White House seat. The election was too close for most pollsters to call; even the networks had trouble on election night deciding who had what state in the electoral college.

In the election for U.S. Senator for California, Senator John Tunney was beaten by 70-year old retired San Francisco State College President S.I. Hayakawa. Republican, Robert K. Dornan was victorious in the 27th Congressional district over Democrat Gary Familian in one of the dirtiest campaigns waged in Southern California. Agricultural, Labor, and Dog Racing initiatives went down to defeat while the okay was given on Santa Monica's new shopping center.

In four years, this year's campus will be of age to vote and perhaps make a difference. But in the meantime, Samohi must live with its parents' decisions and hope they were the right ones.

Bus it or bike it

Candy Haskell coasting her way to school

Stop that bus!

Samohi students found varying ways to commute their bodies to and from school.

Most of those who didn't own a license took the bus. Malibuites were very familiar with their over-crowded conditions in the yellow school buses. Their only asset was they rode for free. Santa Monicans took the also crowded Big Blue Bus Specials, but not for free. Bus cards were usually lost in the bottom of purses or mixed up in notebooks, in which case a borrowed punch became necessary.

Cars were the most preferable form of transportation. If a student owned a car, he or she could be sure of filling it up with friends by the time he reached school. The problem with driving was parking. The student lot was usually filled by 7:45, and Bay street cleaning goes on between 7:00 and 10:00.

Bicycling would have seemed the happy medium between over-crowded buses and inadequate parking. This was true to school, but it was uphill all the way home. Footing it was fine if the student lived three blocks from school or didn't carry any books.

Perhaps in the future, Samohi's commuting problems will be solved by Star Trek's idea of "transporting". Just step into your box and beam down, Scotty.

A surprise party for Odin

Homecoming Court-Princesses Kim Niles, Laurie Mahan, Maya Zuyovich, Queen Sumi Shohara, Princesses Jennifer Svendsen, Muffi Beyer, Paula McSpadden

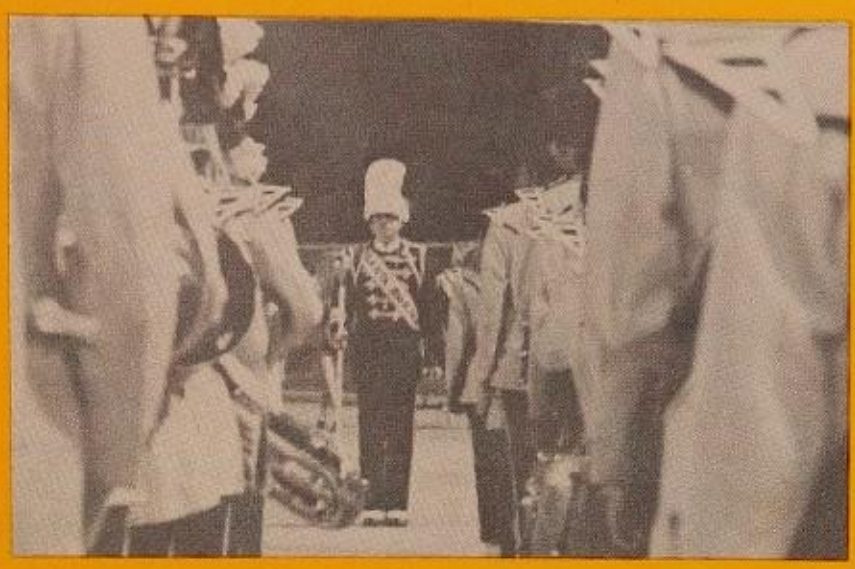
Homecoming. It brings tears to the eyes of alumni and excitement to the minds of students. And the 1976 Viking Homecoming was no exception.

Festivities lasted an entire week at Odin's Surprise Party and included bands playing at lunch, the Junior Class obstacle course, and food booths in the quad.

Thursday night, students were busy in garages across Santa Monica "building floats." Hungry and tired, the float builders dragged themselves to the cafeteria where they lapped up pancakes and sausages for breakfast.

As the sun rose, the spirits as well as the temperature went higher. At noon, Sumi Shohara was crowned '76 Homecoming Queen and the Class of '77 won the Sweepstakes Award for the second consecutive year for their float.

At the football game, the Viking trounced the Hawthorne Cougars, 35-7, before a tired but enthusiastic, cheering crowd. Those who had not yet retired to bed, danced their way to oblivion as the band "Friends" played on. Homecoming '76 was a definite success.



"I ate ALL those pancakes?" say Blair Calderhead and Glenn Sato.

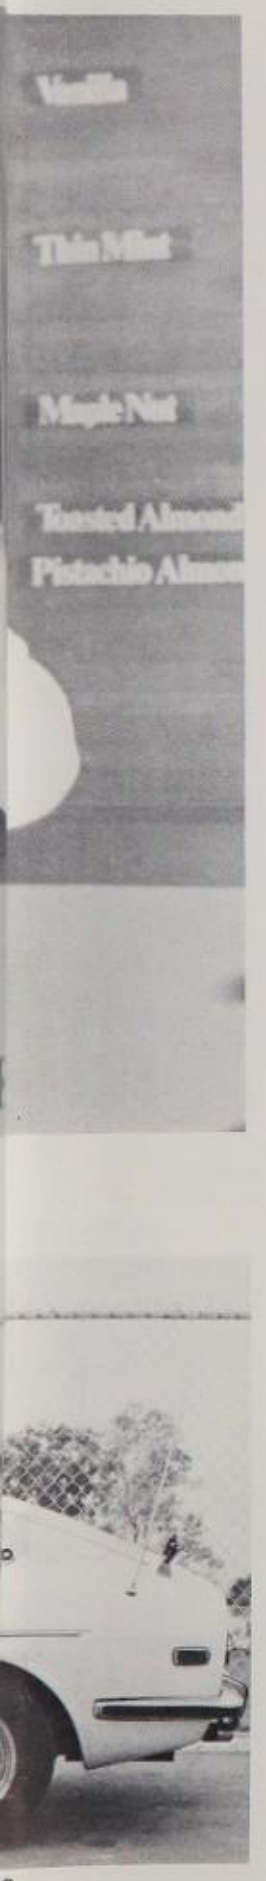
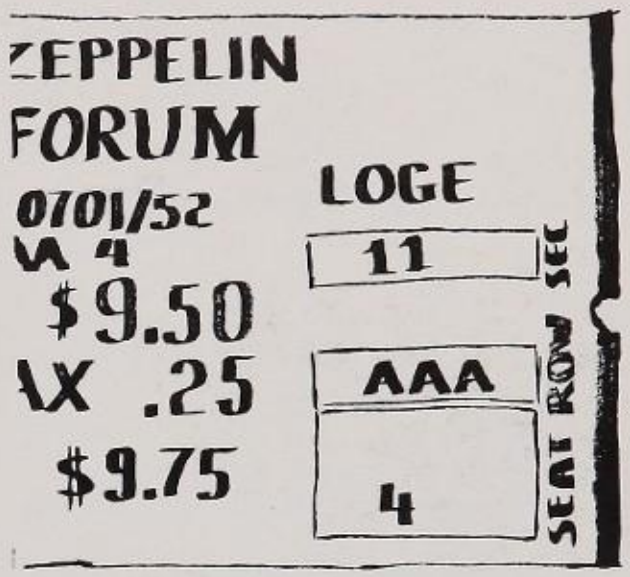
Tom Dooley is often seen tooling around in his 240Z after he gets out of school.





While waiting to take a picture at a freelance job, Stan Lim takes this one of himself via a mirror.

Bushy haired Malibu-ite takes a graceful leap off his board.

Although Samohi's population did spend an average seven and a half hours on campus every day, there was still plenty of time left over for other activities.

A large number of students went to work after school, and no matter what the job was, it meant money, and money meant everything.

Being outside, in the fresh air, was an obsession for some students. At the beach, time was divided between the sand and sea. The snow (when there was snow) attracted students to the slopes. Bicycling, skateboarding, and roller skating were other ways to get where you were going and have fun on the way.

Music and movies appealed to the student body especially. For concerts, an overnight wait in line at the Forum was considered time well spent. With Westwood just a bus ride away, first run films received a good portion of student interest. Eating was a specialty of Samohites and no S.M. or West L.A. eaterie was the same after a group of students ate out the kitchen.

School, being the social generator that it is, was the root of the activities that happened around it.

Best wishes to the great class of 1977. Rita Krakower 83

Graduates part with self-discoveries

"...lots of parties, more fun than work." This was the main idea behind the Class of '77. The Senior Class was involved in almost everything this year. Their Homecoming float won the Sweepstakes Award for the second consecutive year and the Holiday Dance was under their supervision. They chose the Senior Class gift with care, and though graduation had seemed a long way off in September, June arrived very quickly and with it the end of their stay at Samohi.

ASB Cabinet makes new waves

The main goal ASB President Kaia Balsz set out to do this year, was to get out to the student body of Samohi. She did just that in 1976-77, by setting up an 'open forum' in the quad at lunch with principal W. Terry Pearson, and by personally going around to first period classes.
Vice President Jim Rodriguez, Secretary Susie Matson, treasurer Mickey Rasgon, and speaker of the house Chris Rodriguez, all worked closely together, and with the Reps and commissioners as well, to provide Samohi students with one of the most efficient cabinets ever.

Comm. of Publicity, Mike Harris

With the job of planning and organizing practically all of the activities at Samohi the 1976-77 Commissioners accomplished a great deal, while still having fun.

If one commissioner didn't have a job at that particular time, he/she would usually find another commissioner that did and help them out.

Homecoming, Special Days, ASB NomCon, Fine Arts Festival, and the talent show are just a few of the things the Commissioners did for all of Samohi in 1976-77.

House of Representatives communicates with you!

The 1976-77 House of Representatives was different from all those before it. The House was larger, more powerful, and more efficient. The Reps expanded to 30 members with only 4 classes in each jurisdiction. This made the Reps far more efficient in their communication between the students and Cabinet. The Reps kept busy on committees when they weren't in classrooms. Their main concern was the Problems Committee, which referred difficulties the Reps came across to other committees.

"Our spirit is sky high!"

The VARSITY YELL LEADERS, led by Yell Queen Muffi Beyer, kept the spirit up at all the Varsity football and basketball games and pep rallies.

The girls were busy this year, as most were involved in student government. Kaia was the ASB president, and Chris was the Speaker of the House.

The bubbly Junior Varsity Yell Leaders bounced into the hearts of Samohi spectators this year at all JV and Sophomore games. In their spirited attitude towards school, the girls gave their all in leading cheers and giving bigger smiles.

The FLAGS developed their twirling talents to a tee and entertained the Samo masses during half time shows and pep rallies. Their new routines entailed hard work and Santa Barbara summer camp. All in all the girls had an exceptional year.

The MAJORETTES tossed and balanced their batons to the thrill of watchful Samohites. The girls worked very hard all summer, going to camp (winning high honors there) and going to summer school to learn the tricks of the trade.

The TALL FLAGS carried their flags in parades, football games, and pep rallies. They developed their own routines and even chose some of their own music. They went to summer camp in Santa Barbara and learned to hold their flags higher.

The SONGS became a spirit group this year instead of part of drill. The girls waved their pom-poms proudly at football and basketball games. They went to camp and showed their Samo spirit by bringing home high honors.

Drill parades on

The DRILL TEAM participated in four parades, pep rallies, and halftime shows. They got new uniforms and even raised their own money to send the first sergeants to camp. They went on a trip to Magic Mountain and worked on their own Homecoming Float.

The CAPTAINS worked harder than ever this year. They attended DOT College at Marymount to learn new routines and leadership skills. Janet Stoddard and Tammy Muir, captains, made up most of the routines for the drill team and Tammy won a drill scholarship for $100 at the Sergeanette Banquet.

VICTOR and VICKY VIKING showed their Samo spirit by leading the roaring crowds at football games and pep rallies. The tradition of Victor and Vicky was carried on in grand style by John Hertenstein and Geannie Holden who gave spirited performances every chance they got.

The PEP CLUB was extremely party prone this year but that didn't hamper their cheers at pep rallies and football games. Their Jack-in-the-box float for Homecoming illustrated their clowning spirit and enthusiasm.

Band sports new uniforms

The Samohi Marching Band, under the direction of Mr. Robert Zachman, supplied the music to spur the spirit on at football games and other school activities.

In addition to playing halftimes at the football games, the band also performed in several parades in the Los Angeles area.

The band performed at Magic Mountain in December, and won a third place in the West Covina Parade, and a fourth in the El Camino Parade here in Santa Monica. Their best performance came in the Buena Park Parade, though, as they won the Sweepstakes trophy.

Leading the band to a successful season was Drum Major Randy Dunbar. Randy showed his excellence by winning first place in the Mace Drum Major competition.

The ORCHESTRA delighted students and judges alike with its fantastic performances. The group was given excellent ratings in the festivals it participated in as well as acclamation by Samohi's student body. The Orchestra's eighty-five members played at school assemblies, evening and community concerts and even qualified to go to Salt Lake City in March.

Chamber Orchestra: (L TO R) Irene Sazer, Mike Harris, Marianne Hsiung, Paul Smith, Jim Wu, Helen Herron, North Wood, Ed Kim, Deanna Stanton, Juliet Sutherland, West Van Horn, Susan Bauer, John Beasley, Mark Bernard.

The CHAMBER ORCHESTRA concentrated on baroque and classical music, and being the top fourteen members of the orchestra, they performed beautifully. They played at evening concerts by themselves as well as with the orchestra.

The WOODWIND QUINTET was a newly formed group this year. The select five rehearsed on their own, and performed separately from orchestra at various school and community recitals and benefits.

Musical talent appreciated

The Samohi VIKING CHORALE blended their vocal talents to entertain their student and community audiences. The fifty-five member choir performed accompanied music as well as cappella pieces for larger choirs. Their music was enjoyed at nearly every music assembly on campus and at the annual "Stairway to the Stars" concert. The Chorale was graded at Choral Festivals where their tonal excellence was scrutinized and acclaimed. The Chorale's musical excellence was appreciated by their listening audiences throughout the year.

The MADRIGALS are considered the elite of the campus's musical groups and the eighteen members were selected after tough auditions. The Madrigals performed small ensembles from the Renaissance and some modern pieces, mostly a cappella at all school music assembles and many extracurricular concerts.

The selected ladies in the GIRLS' GLEE were busier than ever. The forty member group sang at and outside of school. On Veteran's Day, they sang at the new VA Hospital in Westwood, and in the spring they readied themselves for a rash of festivals and concerts.

SADOHI continues high tradition

Because of the many obstacles which faced the fearless 11th hour SADOHI staff, they managed to find the energy (usually in Caesar Burgers) to design, write, edit, and finally put out the weekly paper.

With the Heavenly Beard at the helm of a sinking ship, the editors journeyed to printshop once a week to battle it out with Bob, Irene, and Hugh (coaxing the latter with animal crackers and an occasional threat of dropping his last pica of hot type.)

Rainey Daze led the editorial pack with his dominating editorship (not to mention that nappy personality.) Mose, the strong silent type, only showed his tension after the 500th layout sheet was thrown away. John wasn't kept busy enough solving the world's problems so he turned L-111 into a gym.

Allison stayed calm and cool even when the Compugraphic wouldn't justify her copy and the other editors wouldn't justify anything. Mikey maintained his Kosher image and made claim to the Finished First Most Times At Printshop Award. The import from Arizona, Bob "Bobo Bedcheck Paycheck Idi Amin Cox Dada III" was loved and feared, alternately.

The rest of the staff is what made up the bulk of sado fun in L-111. Irene managed to give blank stares when asked where her story was, but one always ended up in the copy box. Bob and Richard spent lunchtimes talking quietly (impossible, you say!) over bologna sandwiches.

Barbara and Roberta floated in and out but their stories faithfully appeared. Tibby was unchallenged as staff groupie, Mickey and Matt remained aloof but not untouched by the craziness of being real journalists. Lido (known as Don in real life) will never forgive his sister for calling him that in front of the class.

Brian bounced in every so often (who really cares?) Paula was and always will be beautiful, talented, and sweet. Sharon and Shairose, the Mutt and Jeff of sadoville, either were always eating something or going somewhere to eat something. Even though the first at Santa Anita interfered with 5th period, Tom managed to make it, pockets empty. Joe added the most life to the staff and besides he had the best legs in the class.

At the semester, a new batch of journalists had to be broken into the way of life in L-111 after they recovered from the Welcome to the Staff crack on the head with a baseball bat.

"Julius Caesar" was the February production of the Theatre Arts Department.

Leaders of Rome ganged up on Caesar, determined to destroy him.

The DRAMA CLUB gave those who found it impossible to control themselves an outlet for their frustrations. Of course, there was a twinkle of talent under the bravado, as was shown in every production the group planned and executed.

At lunch, the Drama Club held small plays in the Humanities Center which they produced, directed and acted in themselves. They learned about both sides of the stage and made theatre a pleasure for the student body.

Students experience foreign culture

The ASIAN AMERICAN ASSOCIATION lent itself to having fun. The students took many field trips to local leisure spots such as Knott's Berry Farm, Magic Mountain, and Disneyland. They also held bake sales and visited various museums in Los Angeles.

Since Mexico and its culture is closely related to life in Southern California, CLUB HISPANICO made an effort at bringing a bit of that culture to Samohi. They celebrated Mexican Holidays with booths in the quad and food to make Samohites' mouths water.

The GERMAN CLUB was one of the most involved clubs on campus. They participated in International Night, produced a German play and went Christmas caroling. They took many field trips to places like the Alpine Village and the German Oktoberfest. And their fun raising spirit contributed $50 to UNICEF.

LE CERCLE FRANCAIS spent most of its time dealing with food. Bake sales, visiting French restaurants, and having Cultural Experiences (fixing food) were fun and fattening for the club. Under the supervision of Joy Koufopoulos and Marie Peterson, the French students also experienced a French Weekend where they spoke only French for two days and cooked French food. Le Cercle Francais combined the talents of its groups to produce the Play "Le Bourgeois Gentilhomme" which all the French Classes were invited to and enjoyed.

Black students were involved in many Samohi activities.

Although their sponsor was absent most of the year, the LATIN HONOR SOCIETY did manage to have their annual Roman Banquet and to participate in International Day.

The BLACK STUDENTS UNION strove to give other students as well as themselves, insight into the Black American. A slide show and display of Black History week were a few of the club's major projects this year. They had the most fun at Homecoming where the club entered a float and sold Pom-Poms.

With the Pacific Ocean next door, the SAILING CLUB was quite content. The club members learned a great deal about sailing, navigating, and sea safety. Sea sickness never got them down and trips to the Channel Islands and Catalina were on their agenda.

The SKI CLUB boasted the highest number of members of any club this year: 102. To raise money, the club sold bumper stickers, candy bars, and Santa Grams. They viewed ski movies at lunch to relieve their longing for the slopes.

Clubs serve versatile interests

Concerts were foremost on the minds of members of the FRIENDS OF MUSIC. They collected money from their own pockets to go to various classical concerts which interested them. At their meetings, they discussed what they had heard and made plans for their next outing.

Mr. Perry and his Scuba Club included David Abernathy, Suzanne Kalb, Jon Silver, Steve Weldon, Armando Amaro, Denise Friese, Jeff Piper, Neil Newkirk, Devin Zook, and Joel Voelzke.

The friends of music flatly deny that their wit is sharper than their music.

The YOUTH ACTION SERVICE, formally titled Girls' Service, was a very busy group this year. Their participation in Homecoming, the Cultural Faire and the canned food drive kept them active and an asset to Samohi.

Those who planned to enter the field of medicine found what they were looking for in the MEDICAL SCIENCE CLUB. Under Nurse Sayres watchful eye, the students learned about medicine through speakers and from first hand experience such as the Bloodmobile and visiting convalescent homes.

Samo vs. Crespi (1st round CIF)	35- 7
Samo vs. Muir (2nd round CIF)	38- 0
Samo vs. Westminster (3rd round CIF)	9-13

With many of its top athletes returning, the Samohi football team had high hopes of repeating its success of last year by returning to the CIF playoffs. Under Head Coach Tebb Kusserow, they did just that, completing its season with a record of 10-2.

Opening with defending CIF champion, Loyola, the Vikes immediately showed off its new wide open offense. Quarterback Kevin Reynolds hit new star receivers Dennis Smith and Stanley Younger with crucial passes on the way to a 21-15 win. Coach Kusserow called his new pass catching duo "one of the best in CIF". Samo rolled over its next four opponents before meeting up with Bay League powerhouse West Torrance. James Ramsey, subbing for the injured Reynolds, played an excellent game but Samo could not match the overall strength of West and were handed its first loss, 25-14. Samo rebounded with 35-7 wins over South and Hawthorne with Reynolds throwing for a school record 372 yards against the Cougars. The Vikes' Bay League championship hopes came down to the final 30 seconds in the last game against Palos Verdes. Trailing 24-21, Reynolds hit Dave Montanari with a 10 yard pass that

gave a 28-24 win and a share of the Bay League title to the Vikings.

Samo crushed its first two playoff opponents, Crespi 35-7 and Muir 38-0 before hooking up with Westminster, a team that had beaten Samohi in the first round of the playoffs in 1975. This year in the quarterfinals the results were the same as the Vikes fell 13-9.

"It was a very exciting season with very fine players who made it very easy for me" commented Coach Kusserow.

"The good players played well and the young players showed fine development. The most gratifying thing was that they played as well as they could because that is all you can ask for."

Samo players also walked away with some fine individual awards this year. Dennis Smith was selected as Co-CIF and Bay League player of the year. Stanley Younger made the first CIF team while Kevin Reynolds made the second. Other Bay League selections included Mike Fitzsimons, Karl Cochran, Ed Willis, Mike Hewitt, Dave Montanari, Glenn Durham, Younger, and Reynolds.

The J.V.'s finished their season with a tight 7-6 win over Aviation and a 5-1-1 record. Coach Don Sealy's team played consistently throughout the year with the only loss coming to Centennial 6-0. The biggest win of the year was a 34-6 pounding of Pasadena where Ricky Williams scored two touchdowns. The Vikes were forced to play strong defense throughout the year as they didn't win another game by more than a touchdown.

Coach Sealy talked about the J.V.'s, "As individuals they really improved and helped the varsity during practice. Three of our players, Hugo Barjollo, center, Ray Cooper, tailback, and James Ramsey, quarterback all started on varsity."

A Learning Experience

"We ended the season with our most reliable people. We would have done better if they had started earlier." This is what Coach Irv Kasten said after his sophomore team went through one of its roughest seasons in awhile ending the year with a 2-6-1 record.

Samo's wins came early in the year against Pasadena 25-6 and Rolling Hills 13-12. They were shutout by North and Warren and fell to West and South before tying Hawthorne.

"Sophomores are always a learning experience," said Coach Kasten. We have to determine who the better players are early in the season and this year the best weren't the most talented."

Behind the running of super soph Ray Harrington, the Samohi Cross Country squad took third in the Bay League. The Vikes finished the dual meet season with a 5-1 record with Harrington taking four individual firsts.

Samo started the season in the Moorpark Invitational, taking third. They went on to beat Loyola and North before topping South with a perfect score. The most important win of the year came against defending Bay League Champs and CIF runnerup Palos Verdes, 25-30. Strong performances by Cass, Harrington, Frank Carone, Jeff Zukin, and Brett Gripp enabled Samo to beat the Sea Kings for the first time ever. The Vikes finished the season taking third in the League meet. Coach Paul Kerry pointed out, "Harrington and Cass did a great job all year."

J.V. Cross Country

In contention throughout the year, the junior varsity cross country team finished the season in second place with a fine 4-2 record. They took their first four meets before being narrowly defeated by Palos Verdes and Rolling Hills. They came back to take first in the league meet.

Top performers this year were Hiram Delgado who took some individual firsts and placed first in the league meet, Alan Gallagher, Fernando Rivera, Steve Leasko, and Jayme Santos.

BOTTOM ROW (L. TO R.) Patricia Garcia, Ann White, Kris Flaherty, Pui Ko. TOP ROW (L. TO R.) Rosa Solamen, Sue Haldeman, Roma Antoniewicz, Deirdre Crommie.

The sophomores went through a tough season. Starting off eighth at Moorpark, the sophs took their next two meets before dropping their final four. They were led by Javier Rodriguez, Gabriel Larios, Jon Arenberg, and Steve Ayres.

The girls did extremely well when they ran. In their only dual meet they topped Mira Costa 25-31. In the league finals Roma Antoniewicz led the team to second place with an individual second. Other standouts included Sue Haldeman, Pui Ko, Patty Garcia, Ann White and Kris Flaherty.

Spikers Stand Out

In the past years, Girls' Volleyball Coach Martha Ruby has consistently put together outstanding teams, and 1976 proved to be no exception. The Spikers breezed through league play with a record of 9-1, good for a first place tie with Mira Costa High. In CIF action, however, the Vikes were stopped in the semi-finals by the eventual champions, Laguna Beach. This left them tied for third place in CIF.

Ironically, the Varsity team opened its season with a win over Laguna Beach in a scrimmage match. Although they dropped the first game of the bout, the Vikes came back to win 8-15, 15-8, 15-13.

Boasting an overall record of 15-2, the Spikers also gained first place titles in the San Marcos and Marlborough Invitational Tournaments.

Coach Ruby attributes the team's success to "a strong offense, quick defense, a bond of friendship on and off the court, and adaptability to the opposing teams' strengths and weaknesses." She also feels that "this team was more mentally and emotionally stable on the court —they played with more maturity than did my teams in the past."

With all of the starting players graduating this year, Coach Ruby looks toward a building year in 1977.

The JV Volleyball Team wrapped up the season with an overall record of 7-6, and a 7-3 standing in league play. According to Coach Ruby, "This team was at a disadvantage due to their lack of experience. Also, the girls were not all-around players—they all specialized in a certain aspect of the game. This also proved to be an asset, because everyone was in her right spot on the court."

The Sophomore Volleyball team, under the direction of Coach Susan Hoover, saw many girls progress throughout the season. They had the opportunity to gain experience through interscholastic competition, which is excellent preparation for future JV and Varsity material.

The Girls' Tennis team, under the direction of Coach Ardis Bonozo, had a very impressive season, finishing with an overall record of 15-5, and a Bay League standing of 8-2. This put the team in second place in what Coach Bonozo termed "a very tough league."

The girls began their league play on a high note, defeating Miraleste 17½-5. They remained undefeated throughout the first half of the league play, but fell to Miraleste and Beverly Hills in the second round.

The team advanced to the quarterfinals of the CIF playoffs, where it fell to Newport Harbor. In individual playoffs, however, Kim Wilson was the number one singles player in the league and in the section. She remained undefeated until she reached the CIF quarter finals, where she was beaten 6-4, 4-7, 4-6.

According to Coach Bonozo, the team's success was due to "very hard work. The girls replaced their lack of playing experience with dedication, not only during the season but throughout the year."

Bridgit Badt hauls down a rebound.

Samohi's P.E. Department saw an improvement this year with the addition of the girls' basketball team. Under the direction of Head Coach Richard Beede, the girls competed successfully in the Ocean League.

The Vikes started the season well by placing fourth in the Bishop-Montgomery tournament. in which center Anne Cooper was selected to the all-tournament team.

According to Coach Beede, the girls had "a lot of enthusiasm and desire to improve. They were at a disadvantage in that they lacked height, but they compensated for it by hustling on the court."

Key players were Cooper, Bridgit Badt, Patti Durbin, Cindy Mankawich, Nikki Soteras, Cara Stanley, and Stephie Turman.

Waterpolo Rebuilds

The 1976 waterpolo team went through another hard season but showed signs of strong improvement. Under the coaching of Frank Brooks, they came from last place in the last three years to a third place finish. Coach Brooks said, "I was really pleased with the improvement this year over the past two. I think we will keep improving in the future." He went on to say, "Over the years Samohi has had one of the best teams in CIF but teams go in a cycle and we were down the past two years. We were lucky that we were down for such a short period of time."

Led by captain and leading scorer Dick Ringer, Samo took wins over Harvard and El Segundo, both by a goal apiece. The final win, which clinched third place, was a 19-5 crushing of Harvard. Standouts this year were the returning starters Ringer, Kirk Lazurek, and Joel Sercarz plus strong play from Eric Smith and John O'Rourke.

The junior varsity squad finished the season with a 5-7 record but as Coach Stu Blumpkin said, "They gained experience for next year which helps the varsity build for the future." One of the best individual performances seen all year came in Samo's second game, against Burbank. The Vikes won 10-6 but the story was Dimitri Gautier, who scored six times. According to Coach Blumpkins, the best game of the year came against Canyon in which Samo won 6-5. The Vikes were down by two goals late in the game but came back strongly to win. They put forth a similar effort against Aviation. Trailing 6-4, Samo scored three times in the final minute and a half to win 7-6. Louis Scaduto led the exciting J.V.'s all year as goalie.

The sophomores finished with a rush in the final few weeks to improve their record to 9-7 and finished second in league. Coach Bob Coulter said, "We had a rough start but we improved greatly with hard work." It showed by their seven game winning streak. They were led by the strong play of Mark Beede, Chris Castelo, Paul Cooke, Elias Gourgouris, Eric Hanley, Jeff Rigby, and Tod Sherman.

Soccer: Success Story

After years of playing in obscurity under the better known teams at Samohi, the soccer team is finally in the limelight. Playing some of the best teams in the CIF and before large home crowds, the Vikes went to the CIF playoffs for the second year in a row. By ending the year with four consecutive shutouts, Samo finished in second place in the Bay League with a 6-2-2 record.

Coach Jose Lopez commented on this successful season, "We had some very good games. We turned our season around after two losses in the middle of the year and then didn't lose another game. Our two biggest wins came against South and West when everything was on the line. We either won and went to the playoffs or lost and watched everyone go by." The Vikes were led through the season by the top two scorers Peter Trifunovich and Miguel Arriaga, and Jesus Juaregui who according to Coach Lopez took control of the team and could really settle them down with his excellent defense.

As in the case of most J.V. teams, the junior varsity soccer squad gave valuable playing time to juniors and sophs who will do battle for the varsity next season. Coach Lopez said, "There were some really excellent players on the team who are expected on varsity next year." The J.V.'s started off with six straight wins in non-league action. In the 11-1 triumph over Leuzinger, Nick Trifunovich scored six goals. In the next two games he put in three and four goals, respectively. Samo finished the league season with four wins and six losses, three by only one goal.

The sophomores finished fourth in what Coach Mike Vincent called, "an extremely tough league...one of the most difficult I've ever seen." After losing their opening game, the Vikes took eight straight before losing 8-1 to West in the third league game. Samo had nothing but problems the rest of the year losing six out of the next seven. Coach Vincent explained, "We lost some players along the way which made it really hard for us. In league there were many players who had been competing a lot longer than our kids." Leading players for Samo were Jim Dessise and Ramon Ulloa.

Wrestlers Prosper

The wrestling team, under the direction of Head Coach Tom Jones, wrapped up its season with an overall record of 5-7, 2-5 in the Ocean League.

The Vikes took third place in the league finals, and sent three wrestlers to the CIF sectionals. Jon Silver and Tony Gomez were defeated in the first round, but Dan Cislo remained to come out second in his weight class. He then advanced to the finals.

According to Coach Jones, "The team lacked depth, because it had no one to compete in the middle-weight classes. Also the team was very young, which should insure a good foundation for next year's team."

The Vikes were fortunate in having the help of assistant Coach Naum Temnograd, who was a member of the Russian team.

Varsity Basketball

In what could be termed a "building year," Head Coach Gary Luttel's varsity basketball team wound up the season with an overall record of 7-16 and a 4-10 league tally.

The cagers began the season by winning three of their first four games. However, they failed to maintain the pace and lost all but four of the remaining games.

Commented Coach Luttel, "We were at a disadvantage being the youngest and shortest team in the league. Also, we were plagued with injuries—we lost 12 players during the season. Despite the bad luck, the team held together and played good basketball."

The Vikes were led by top scorers Eric Wilson and Lewis Steinman, who were both named to the Ocean League All-Conference Team.

Because it lost many players to the varsity team, the JV team consisted of only eight members. Commented Coach McCaffrey, "Despite the lack of depth, the guys learned to play as a team, and they played competitively throughout the season."

The nucleus of the team was Steve Kafka, Theo Welch, Chuck Datin, Robert Hoskins, and Chris Thompson.

The Vikes came back from a five-game losing streak to win five of the seven remaining games. Commented Coach Travers, "The team always came back and never got down. Every kid on the team contributed to our success at one point during the season."

Coming off a year when they went to the CIF playoffs and won the American Legion championship, the Samohi baseball team had high expectations. But the Vikes have a young team with only four returning lettermen which included Rod Allen, Dave Montanari, and Stanley Younger, all starters from last year's team, and John Field.

Any problems were forgotten though, when Samo took its first six games without a loss. Pitchers Allen, Lee Wenzel, Scott Nolind, and Hugh Page performed brilliantly early in the season while Samo hit well and ran the bases with abandon. According to Coach Tom McCaffrey, a goal for the team was to break the CIF record for most steals in a year which is 104. Samo had an excellent start as they were successful on 25 of their first 27 attempts in the

As did the varsity, the J.V.'s opened the season with wins over St. Bernard and Compton but then were defeated by Culver City, Venice, and Royal.

Samo pitchers Sam Frydenlund and Jim Fisher then pitched some fine ball games as the Vikes took easy wins over Burroughs, Banning and Narbonne. David Reid delivered some key hits at the plate for Samo.

Coach Sealy remarked that his team "was playing average baseball and had both some strong spots and weak spots" but that he was very pleased with their performances.

Track Goes For CIF

The least that can be said about the 1977 track team is that it had a tough act to follow from the defending CIF track champs of Samohi of 1976. Only three other teams have repeated in CIF but Coach Don Murphy said, "Hopefully we can repeat as league champs and we could go undefeated. Hopefully we will be there when the CIF finals come."

Samo got some outstanding performances early in the season. Dennis Smith twice high jumped seven feet, once indoors at San Diego and once at the Long Beach Relays. Tim Chambers ran a fine 58.7 in the 500-yard run and posted a 39.1 in the 330 low hurdles. Other standouts included Frank Carone, Phil Cass, Kelly Webb, Ray Harrington, and Marc Beck in the distance races while Jeff Mays excelled in the sprints. Mike Brown consistently jumped over 20 feet in the long jump and Clyde Matsumura and Eric Nash performed well in the pole vault to give Samo an overall devastating look for track.

Sue Haldeman keeps a steady pace.

With a turnout of over 65 athletes, the girl's track team looked strong and well-balanced. After freelancing for the past two years, this was Samo's first year in the CIF, and they made the best of it.

The Vikes had a 14 meet season opening with the always strong Centennial Apaches. Coach Georgia Susich commented that the team had quite a few AAU runners on it but the events to look at were the 440 relay, the shotput with Elaine Roque, and the distances with Sue Haldeman and Roma Antonowicz.

Before the Ocean League season opened, and the girls working out long hours after school, they competed in the Palos Verdes Invitational. They came away with seven medals and a distance medley relay team of Antonowicz, Susie Fisher, Mary Brown, and Haldeman broke the existing record. This began a fine season for Samohi.

Volleyball Thrives

The biggest competition for most Samo sports is their opponent but according to first year volleyball coach, Berkeley Blatz, the team the 1977 spikers had to beat were themselves. "The team is outstanding, no question about it and they get better every day," Coach Blatz said at the start of the year, "Every match will be a struggle but by overcoming our own weaknesses we can then beat any other team."

Samo opened the season against highly touted Palisades and were defeated. Coach Blatz commented, "We looked inexperienced but we have a lot of potential. At this early point in the season we are trying to reach the top of the mountain and we are about half way there. Hopefully we will be at the top in May when the CIF playoffs start."

Outstanding players to look for, Coach Blatz said, were captain Ronnie Rotstein, setter John Gutierrez, hitter Reed Schenk, and all-around player Chris Schaefer.

The junior varsity was an entirely different story. It was one of the best J.V. teams that Coach Blatz has ever seen. He said, "It put a scare into the varsity team and they were a great inspiration to make the varsity play better. I had great hope for the J.V.'s; they had a treasure chest of talent."

Leading Samo were captain and setter Glen Sato and the all-around play of John Buteyn who could really fire the team up.

Golfers Up To Par

Jimmy Detrixhe blasts out of a sandtrap.

Doug Mackay eyes a putt towards the cup.

Perhaps the most unknown sports team at Samo is the golf team. But every week the golfers, traveling under their own transportation to various courses around Southern California, continued to turn in impressive performances.

Because they were Ocean League champs last year, the Vikes were moved up to the extremely tough Bay League, which includes Palos Verdes, Harvard, and Rolling Hills. Coach Irv Kasten predicted that, "We might just end up in fourth."

Early wins, though, brightened Samo's spirits. The varsity, led by Jimmy Detrixhe, Doug Mackay, Keith Brown, Greg Armstrong, Ken Panitz, and Eddie Kim scored overwhelming victories over Hawthorne and Miraleste and held a two stroke advantage over Palos Verdes after the match at Brentwood, Samo's home course.

Coach Kasten commented that the team was shooting well considering it was early in the year.

Boys' Swimmers

David Clarke pulls for home.

Dimitri Gauthier in the butterfly.

The most dedicated group of athletes may be the swimmers, rising early in the morning to get to practice and staying late after school for another workout.

The boy's team in particular had to be in top condition as Coach Frank Brooks explained, "We won the Ocean League the past two years so we were moved up to the Bay League which is one of the toughest leagues in the south land. Even though we may finish in fourth place (behind Rolling Hills, Mira Costa, and Palos Verdes) I'd rahher be here competing on a higher level because I know we are good enough and it makes everyone do that much better."

Highlights for Samo early in the year was the double dual meet win over Miraleste and Buena and the third place finish in the Beverly Hills Invitational. Swimmers who looked good were John O'Rourke, Paul Stader, Robert Brondijk, Dick Ringer, Dimitri Gauthier, Elias Gourgouris, and diver Laurie Silva.

Girls Swimmers

You would expect a first year coach to be cautious going it her first year. Such was not the case with Mrs. Carolyn Rodionoff who made her debut this year at Samohi as girl's swim coach. Bursting with confidence, she said, "I think we are going to be strong in almost every event. The varsity and sophs have an excellent chance of taking league while the J.V.'s will be right there, too. We will probably have 10 to 12 girls going to CIF, which is a first." Standing in the way of Samo winning league were Redondo and Culver City who according to Coach Rodionoff were the toughest teams.

Leading Samo's varsity were Laurie Aragon, Carolyn Arnett and her sister Mary Lou, Ellie Corbett, Beverly Cheetham, Kathy Fennama, Julie Grafton, Jeannie Muir, Karen Morton, and Geannie Holdon. Carrie Kotler and Esme Grey were the core of the J.V.'s while Lucy Smedly led the sophs.

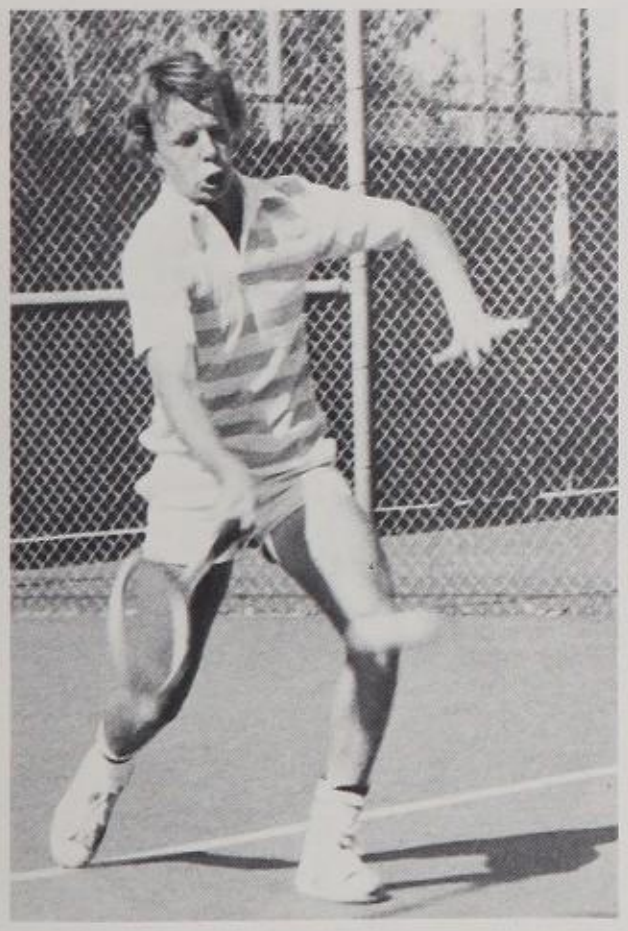
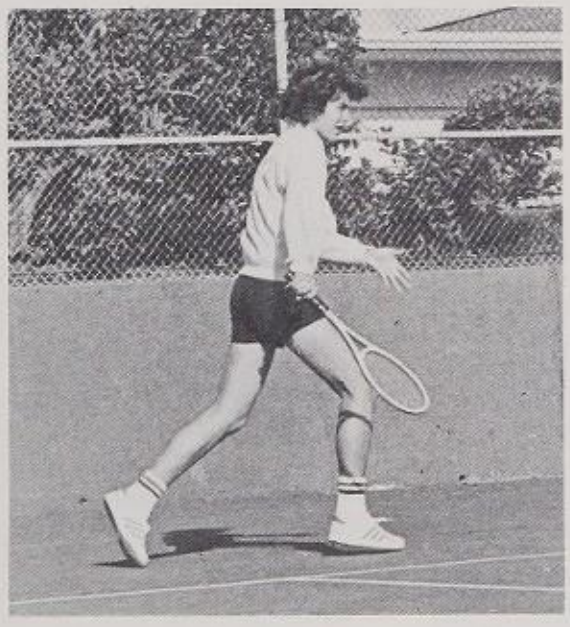
The least of Coach Lee Finch's problems this year on the tennis team was that he only had three seniors out of the eight players on varsity. His main concern was the tough Bay League where strong challenges awaited the Vikes. The top teams included Beverly Hills, Palos Verdes, Mira Costa, and Rolling Hills all of which Coach Finch thought could make it to the CIF quarter finals, at least.

But Coach Finch was pleased with Samo's 4-4 record going into the league. "We have played the best teams in CIF and I am very happy with the progress. We have come a lot farther quicker than I thought." To prepare for perhaps the best league in California the Vikes were out lifting weights twice a week. Coach Finch commented, "We are a real hungry team and we have to be ready. We have the potential and the best way for the kids to improve is to play the top competition." Top players for Samo were Billy Moss, John Rhee, Ernie English and Seppo Salonen. They were greatly hurt by the loss of Wayne Konecki who injured his knee before the season began.



Seppo Salonen goes low for a forehand.



Ernie English goes to the corner for a return.

Samohi has an outstanding reputation and is recognized by many as being one of the top high schools in the country. Our reputation is well deserved! It has been achieved because of the quality of our educational program and the activities and achievements of our students and staff.

A significant force among our students and staff is an attitude on campus that reflects a sense of pride and a feeling of togetherness. I am confident that this attitude will continue to keep us Number 1.

I am very proud of the Class of 1977. During their three years at Samohi, they have been responsible for many successful programs and activities. Best wishes to them for future success and happiness.

Sincerely,

W. Terry Pearson

Vice Principal Richard Turner discussing school activities with faculty member.

One of the most important positions here at Samohi is that of Vice Principal. VP of Pupil-Personnel Sandor Rosenfield heads the staff of guidance counselors at Samohi. VP Curriculum Service Beverly Waters works to meet the needs and interests of the students, and Richard Turner, VP Student Services, works closely with all of the schools' activities.

With a Dean's Office consisting of Patt Lowry, Jonie Lewis, and William Kelley, Samohi saw a year with very few student problems—a rarity to say the least.

Ah, the life of a Samohi counselor. Hundreds of students on the verge of tears and nervous breakdowns passed through the newly renovated Counseling Office this year. The counselors, with patience miles long, listened attentively as students repeated ALL the things that were wrong with their schedules, as well as wrong with their schedules and why if they had enrolled in bowling did they get Varsity Soccer? In addition to being sounding boards, the counselors were treated as friends and comrades by the Samohi masses.

Math Dept. Offers Tutoring

"Two and two does equal four, believe me" was not a typical cry from the Math Department this year. It was more like, "5x-C²(yb) does equal z, believe me." The Math Department was full of advanced mathematics and the students loved it. Calculus, Algebra 5, and Computer Math were a few of the classes offered to the ultra-math minded. Classes for those who still count on their fingers ranged from High School Math to Liberal Arts Math which fulfilled all the University of California requirements for math.

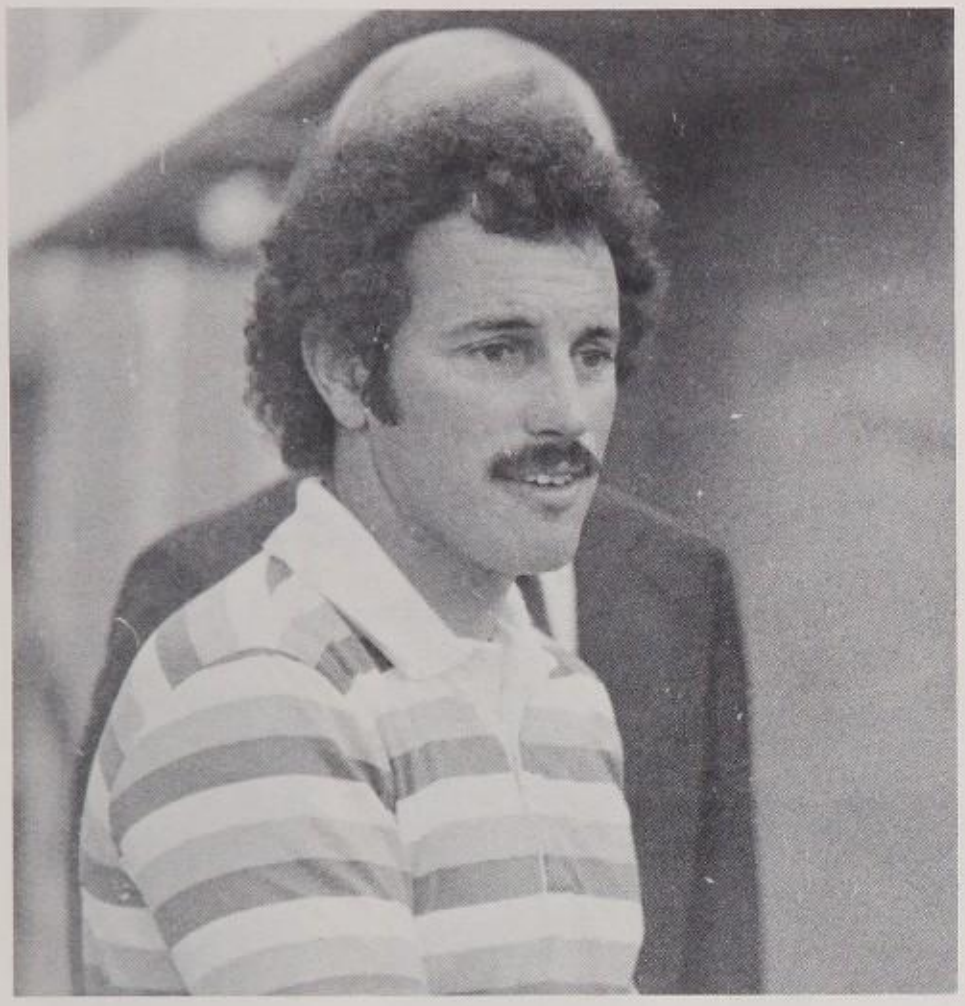
Business Skills Developed



Lee Finch anxiously awaits for Homecoming activities to begin.

The Business department was more involved with using modern equipment this year. Advanced typing students used electric IBM typewriters. Accounting and Business Machines acquired electronic calculators. Video tape equipment aided Merchandising students by instant playback of their presentations. The model office which was set up in the 1974-75 school year trained students for employment in automobile insurance companies. In the first year of its existence the program's graduates were offered jobs.

Social Studies Dept. Offers

The Social Studies department offered a variety of classes for every grade. Sophomores, Juniors, and Seniors had many different facets of geography, history, and government to choose from.

The department studied the placement of students in heterogeneous groupings and history classes for MGM students. Expansion and improvement of the remedial program in geography and development of the new closed circuit television network were additions to the 1976-77 school year. Samohi also participated in the Model United Nations thanks to the Social Studies department.

The Career Center aided students in their future aspirations. The Center has evolved to its own office this year and more activities for the students were in the curriculum. The Career Survey was administered to all second period classes in October. New R.O.P. classes and the "Careers in Art" exposition in December highlighted the year. Work Experience also helped students in the job field. Time cards and applications aided the students in the realities of work and the bulletin board was always full of part-time work.

P. E. Dept. Increases

The Physical Education Department kept the firm young bodies at Samohi in shape this year. More classes were co-ed and P.E. was more fun than drills. There was a class for almost every taste and ability from bowling to varsity football. Even seniors who had been forced to participate for the past twelve years could ditch P.E. legally, through P.E. 12A Exempt. Bicycling, backpacking, scuba and surfing gave students a break from the more structured classes and a new aspect of fun.

Samohi Personnel Perform

The Staff Personnel at Samohi does more to keep the campus running than all the Vice-Principals, Deans and computers put together. From textbooks to Bandaids, the staff is the most necessary and least credited department at Samohi. They keep the campus clean and green, keep the muggers out, feed the hungry masses, erase Truancy Pendings with a swipe of their pen. Without these behind-the-scenes men and women, Samohi would certainly be filled with total confusion.

THE SENIOR CLASS

The Marine on your right. The Marine on your left.

In this outfit, you have to be as good as those who stand with you.

And you can be sure they're good. Or they wouldn't be Marines.

When you join the Marines, we give you the same training we give all Marines.

TO MR. COX:

we know how difficult it was for you to try to come in, take over, and tame us. And we definitly did not act graciously about it. But now that the year is over and all the deadlines have been met, we want to take time out to say thank you.

You were there when we needed you, even though we always thought we could do it better ourselves. We pray your next staff appreciates you the way we should have. Good luck here at Santa Monica and may your heavenly beard get more so

Sis

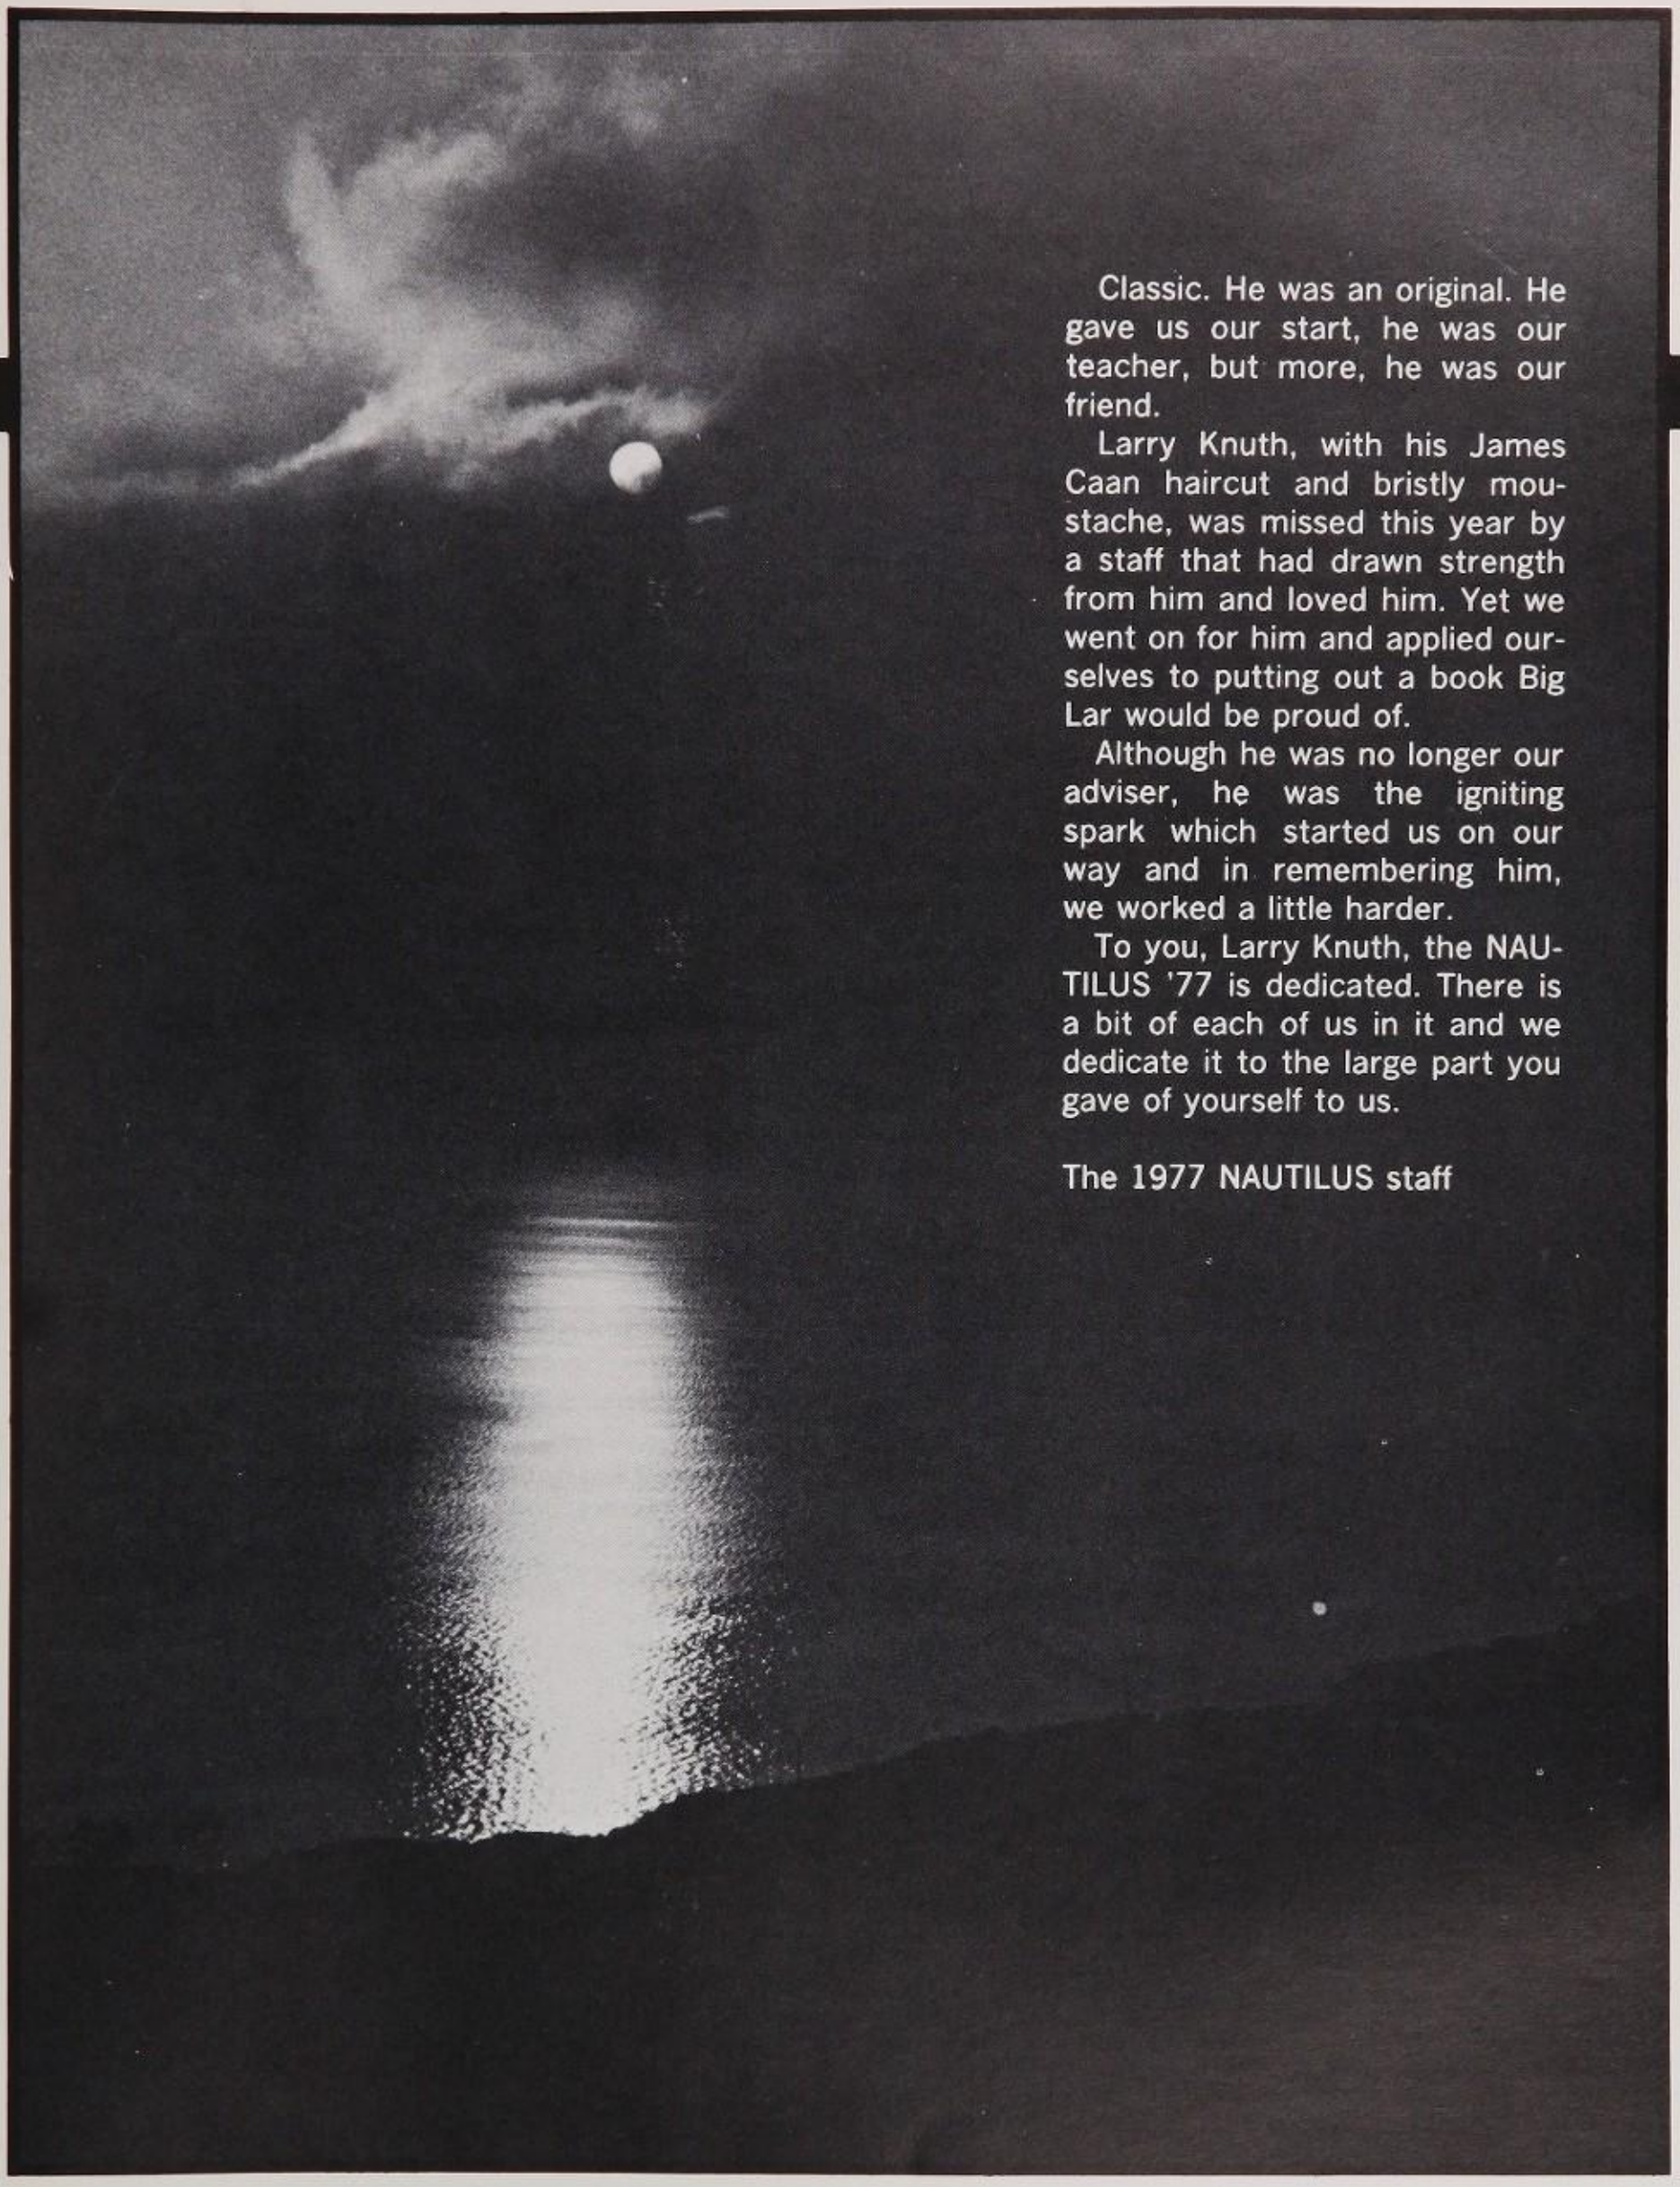
Lissa,

I don't believe it you made it threw 10th grade only two years to go lets see if you don't get kicked out. Please sis don't make the same mistake that I did. You have so much going for you! I really don't know what to write I can't say have a good summer - well I can but its not like I will never see you. I hope your summer goes good for both of us. And that I can spend next year at school with you.

P.S graduation's in getting you job!

Love Ya always

Meg



Classic. He was an original. He gave us our start, he was our teacher, but more, he was our friend.

Larry Knuth, with his James Caan haircut and bristly moustache, was missed this year by a staff that had drawn strength from him and loved him. Yet we went on for him and applied ourselves to putting out a book Big Lar would be proud of.

Although he was no longer our adviser, he was the igniting spark which started us on our way and in remembering him, we worked a little harder.

To you, Larry Knuth, the NAUTILUS '77 is dedicated. There is a bit of each of us in it and we dedicate it to the large part you gave of yourself to us.

NAUTILUS overcomes many obstacles

Lori Bates

The yearbook staff was not quite as wild and crazy as in years past so that was no excuse. The staff did manage, though, to get rolling and after the first deadline reminded them of why they were there, the book proceeded with only minor difficulties.

Under Vivian's domineering leadership, made up of curses and giggles, the NAUTILUS made its debut in June and rates as one of Samohi's best. Michele was the master of condescending looks and used them often (good disciplinary action). Robin grumbled and growled about why the editors should have to learn about layouts. Allison never once lost her Copy-Key (misplaced it yes, but never lost it) and continued to fish for used copy sheets in the garbage can.

Ilene's layouts made the Ads section something special while John made the money and ran. Mike and Paula put in long hours waiting for their volleyball pictures to be developed. Mary had everything under control, even during deadlines. Pui had lots of fun re-numbering her I.D.'s. Geoff didn't say a word during the first semester but he couldn't be stopped the second. Linda got very punchy during deadlines. Shairose memorized every faculty member's face, name and room number. Lori never will learn how to crop a picture and Julie had hers assigned three days before the deadline. Mark was around when he wasn't needed, but no one could find him when he was. Tom's sketches were master pieces and Rapid Robert wrote more captions than he would have liked to.

The photogs were either in the darkroom or not to be found. At the semester a new bunch of staffers arrived to learn from those who will leave. And through it all, Mr. Cox put his hands behind his head and smiled.

DATE. June 6, 1977

TO: Santa Monica High School Student Body

FROM: Vivian Lim, Editor-in-Chief

SUBJECT: Resignation

I, Vivian Lim, do hereby resign from the 1976-1977 Nautilus Yearbook Staff of Santa Monica High School for obvious reasons which have led me to temporary insanity.

Sincerely yours,

Vivian Lim

Will I ever forget:
Homecoming night-Zucky's at 4:00 a.m;
Lori and Mark's deadlines without Lori and Mark,
March 14th-George Benson and Marie Callender,
Barbara's singing,
Bay City Imports (again?),
four carrot cakes for the Cultural Faire,
San Francisco,
leaving Frampton's concert,
and Sav-On Drug Store.
A special thanks to:
Teri and Ilene for all the joy and support you gave me,
Mr. Cox for your patience and help,
Allison J. who was never late with the copy,
the great Samohi Faculty for your cooperation,
Mike Arnone, Ray Audino, and Josten's,
Stan, who went above and beyond the call of photo duty and helped on difficult deadlines,
Tom for the most fantastic cover Samohi's ever had,
Michele and Robin for always being there, and finally,
Corrine B. who gave me the motivation to go on.

"Congrats, Viv, you did it!"
Love,
Corinne

Lissa,
Here I am scribbling in your book. I'm so happy that you and I became such good friends so fast. You're my best friend now days even if we do fight like cats & dogs. I know we will be friends for good. And if we aren't I'll kick your feret face. love ya babe

be good, see ya

See you Next Year

Lissa,
Its been good knowing
you even though it hasn't
been for to long. I think
you've got a good future
ahead of you with what
ever you do. Have a great
summer and I hope I see
you more.

Dear Lissa, 6-9

Well, we managed not to have
Gifted period again together, nor 1st-4th,
or 6th for that matter. Take care and have a
good summer. Love,
Aleksandra

Dear Lissa,

I'm sorry for all of the times that I've called you a space case. It's just a space case. THANX for the good times that I've had including your Party, that was a Blast. And about Gid Blast. Be a friend of mine entire life at the Rower

I LOVE U!
